THIS IS UNEVALUATED INFORMATION FOR THE RESEARCH USE OF TRAINED INTELLIGENCE ANALYSTS

- The Soviet authorities maintain a detachment at the Shihho (121-51, 39-20) Bailroad Station which is in charge of an Inspection Station at which all travelers are thoroughly checked. The Chinese refer to the Shihho Inspection Station as the "Devill'a Gate."
- 2. Soviet Army authorities (? in Dairon) recently requested 120 tons of millet from the Dairen Municipal Covernment and set 30 November 1947 as the deadline for delivery. The Dairon Municipal Government sent LI Wei-chen, Chief of the Civil Administration Bureau, to four villages to arrange for the purchase and trans- 25X1 portation of the millet to Dairen.
- Soviet Army Hoadquarters (? in Port Arthur) has issued temporary residential passes to all male residents between the ages of 17 and 50 in the nine t'un (4., small districts) along Chiu Bay (121-07, 38-48), including Kaochiat'un (高 家屯,? Mangchiatun, 121-08, 38-47), Tayangchiatun (121-09, 38-47) and Heisoyangchiatun (121-02, 38-47). We one not in possession of one of these passes is permitted to enter the area. The Soviet Army is constructing coastal defenses in this area and this is thought to be the reason for the control. 25X1
- The entire city of Port Arthur was suddenly placed under curfew at 2:00 p.m. on 15 October 1947. Reason unknown.
- The Soviet Army is in charge of the Railway Administration, the Railway Folice, and the Marine Police in Port Arthur and Dairen. These organizations investigate and check all railway and boat travelers.
